I have **MND** (Motor Neurone Disease).  
I am mentally alert and can hear you,  
but this disease may cause:

- **impaired speech** • **unsteady balance**
- **weakened hand strength**
- **inability to walk**

My name is:

---

### General Information for Emergency Room Personnel

**Respiration issues** are caused by weak  
muscles. **Do not use oxygen.** Use my personal  
support equipment.

For further information, please  
contact my neurologist.
